Branch membership figures

The Austrian IAML branch currently has 30 members – 29 institutional members and one personal member. Compared to the previous year, one member has joined.

Branch activities

In 2021, for the first time since the beginning of the Corona pandemic, a meeting was held in person – the General Assembly, where the new IAML Board was elected, and a working and information meeting.

The venue was the Anton Bruckner Private University in Linz.

In addition to the usual reports from the member institutions, there were two interesting presentations on the topics of "Dealing with estates - quick and dirty or by all the rules of RDA?" and a comprehensive presentation of the Archiv der Zeitgenossen in Krems, which also addressed the changes in everyday work due to the pandemic.

From 2022 onwards, the aim is to hold two annual meetings, as in the years before 2020.
