Additional comments

At the General Assembly on 21 March a proposal from the year before on disbanding the Danish Branch of IAML was again proposed. The 8 participants of the General Assembly all voted in favour, due to the lack of interest in the organisation in recent years. It was therefore decided to organise an Extra General Assembly which was accorded to the statutes. That was held on 3 May and the result was the same. According to the

statutes an extra vote among the members was then held. 56 % of the members voted, and all of them were in favour of disbanding the organisation.

DMBF, Dansk Musikbiblioteksforening, the Danish Branch of IAML, will therefore cease to exist as of 1 July 2022.
