The Vegetable Syrup with Improvements is compoled from herbs and plants alone, without a fingle particle of mercury; it is agreeable to the palate, mild in its operation, may be taken at all featons withour danger or confinement; and effects a certain cure in the most defperate and complicated cafes.

As fails can alone afc rtain the fuperiority of any medicine, Dr. Burrows has repeatedly referred the Public to many extraordinary cures; fome of which are published at the request of perfons of eminence, as may be seen in the Appendix to his Differention on the Nature and Effects of his medicine; a fecond edition of which will shortly appear, with Additions, and remarks on certain passages in a pamphlet lately published; which it is preformed will invalidate not only fome affeverations, but also Depositions concerning feveral contested points.
