Grove Music Online - Report 2015

UpdateGMO

Six years ago, in response to feedback from scholars, UpdateGMO, a major program to ensure that Grove content remains authoritative and useful to researchers, was launched. This update includes 249 articles that were revised or newly commissioned through this program. Added or updated articles include those for the Southeastern and East Central Europe Update Project.

Hundreds of articles have been updated through this program so far, but there is still much work to be done and your help is needed. You can participate in this project by emailing the editors at updateGMO@oup.com to

- Submit updates to your articles
- Suggest corrections, revisions, or new articles
- Send us your current contact information
- Tell us what you think

New Content from *AmeriGrove* and the *Instruments Dictionary*

AmeriGrove

With this update we note the addition of 298 new articles to *Grove Music Online* from the second edition of [*The Grove Dictionary of American Music*](#) (*AmeriGrove*), edited by Charles Hiroshi Garrett. The first edition (1986) is widely considered the definitive reference work on the subject, and while some of the topics in this update appeared in the first edition, all are completely new to *Grove Music Online* and have been updated for the project.

Association internationale des bibliothèques, archives et centres de documentation musicaux (AIBM)

International Association of Music Libraries, Archives and Documentation Centres (IAML)

Internationale Vereinigung der Musikbibliotheken, Musikarchive und Musikdokumentationszentren (IVMB)

This *AmeriGrove* update continues to expand the scope of Grove's coverage, including 125 new articles on country music, 14 on hip hop, and 159 on jazz music.

Grove Dictionary of Musical Instruments

Recently added were 297 new articles from [*The Grove Dictionary of Musical Instruments*](#), 2nd edition (GDMI), including biographies of important instrument manufacturers, and subject entries on instruments and movements, for example, sound sculpture.

Multimedia Links

Several Grove articles now contain links to audio and video recordings and score facsimiles, thanks to partnerships with Alexander Street Press and Naxos Music Library, accessible to users/institutions that have subscriptions to these sites. You can find articles that contain multimedia links by clicking on Advanced Search, entering “multimedia links”, and ticking the Bibliographies box. Below is a list of articles from this update that contain multimedia links:

[Campanella](#)

[Holbrooke, Joseph \[Josef\] \(Charles\)](#)

[Karajan, Herbert von](#)

[Meyerbeer \[Beer\], Giacomo \[Jacob Liebmann Meyer\]](#)

[Mondo della luna, II \(ii\)](#)

[South East Europe](#)

[Yugoslavia](#)

Links to multimedia materials will continue to be added with each new quarterly update.

If you are a Grove author and would like to help us select links for your articles, please let me know.
