SCHUBERT DIGITAL

schubert
digital

A database project of the
New Schubert Edition

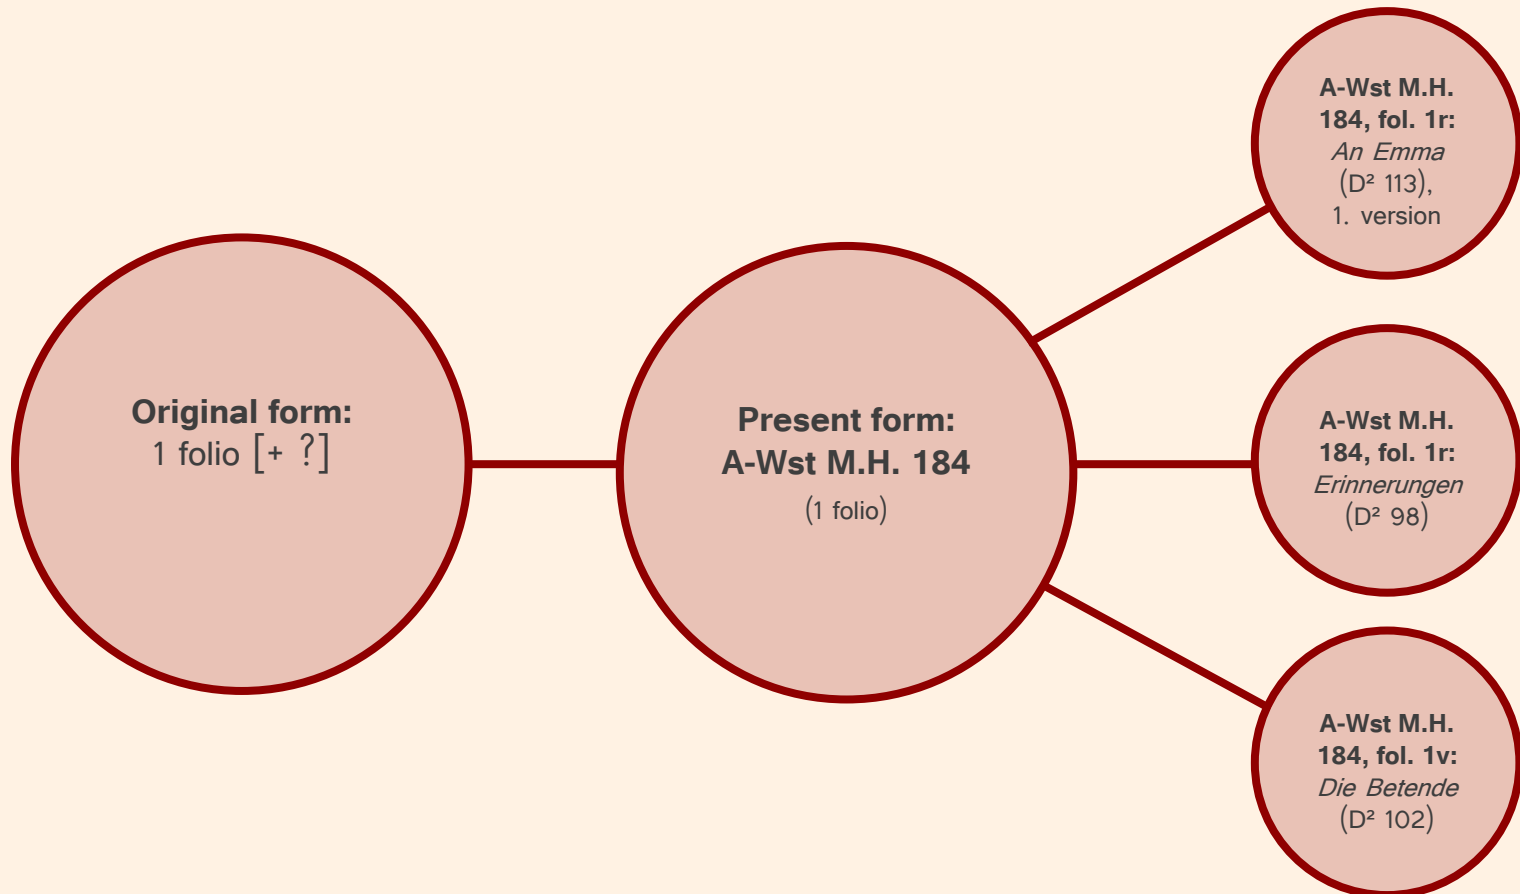

schubertdigital.net

Contents of the database Schubert Digital

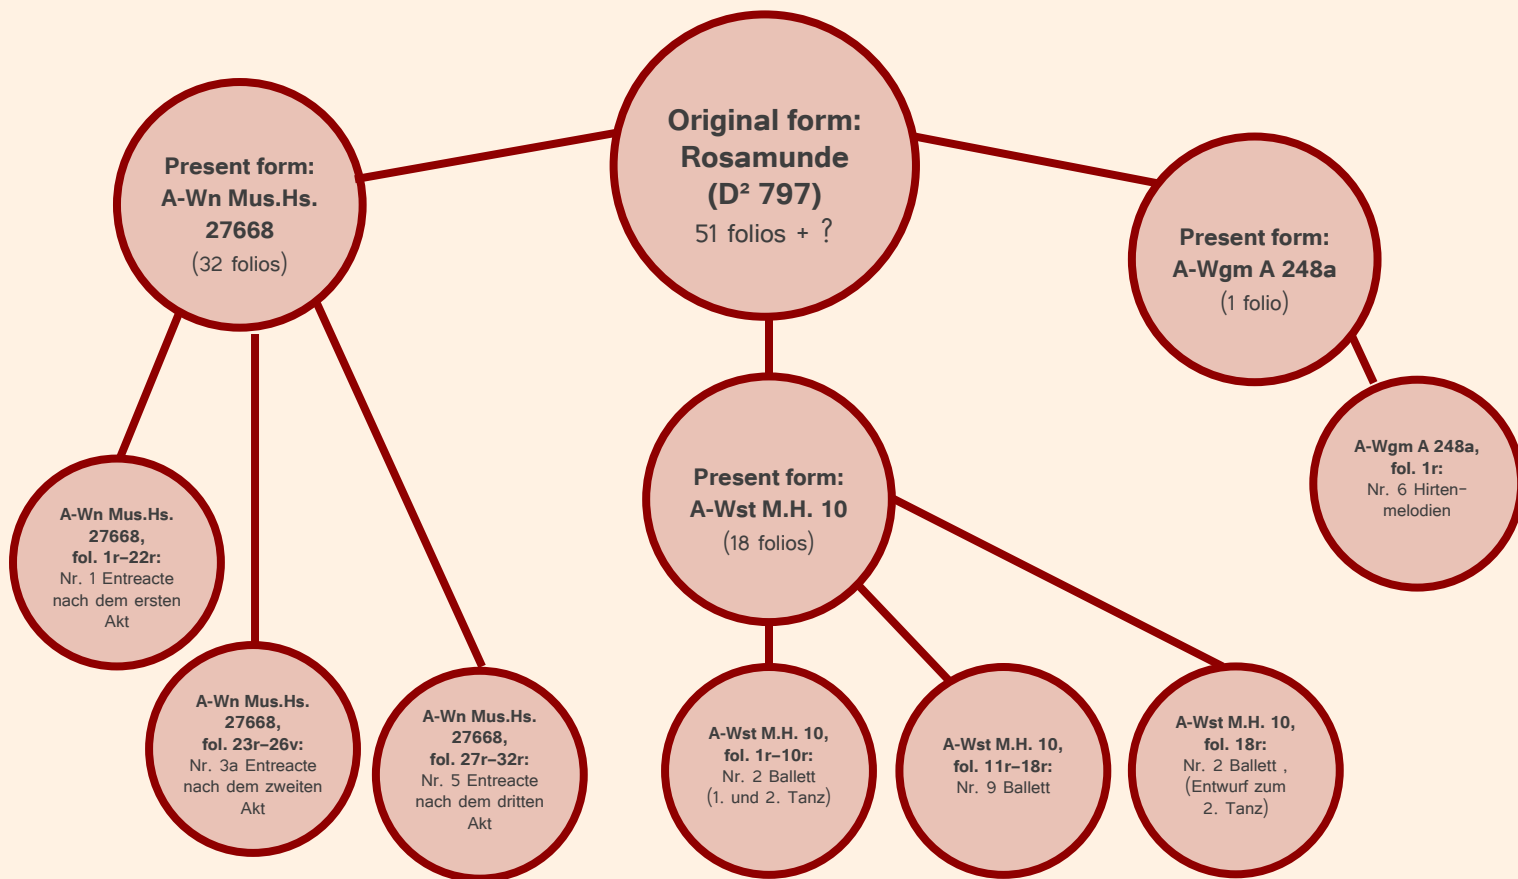

Philological descriptions of Franz Schubert's autograph manuscripts in their original and present form and in their musical and textual contents

- supplemented by catalogues of Schubert's works, relevant persons and institutions, watermarks
- based on the new findings published in the critical reports of the New Schubert Edition
- linked to the digital images in schubert-online.at
- accessible via advanced search options and multiple points of access

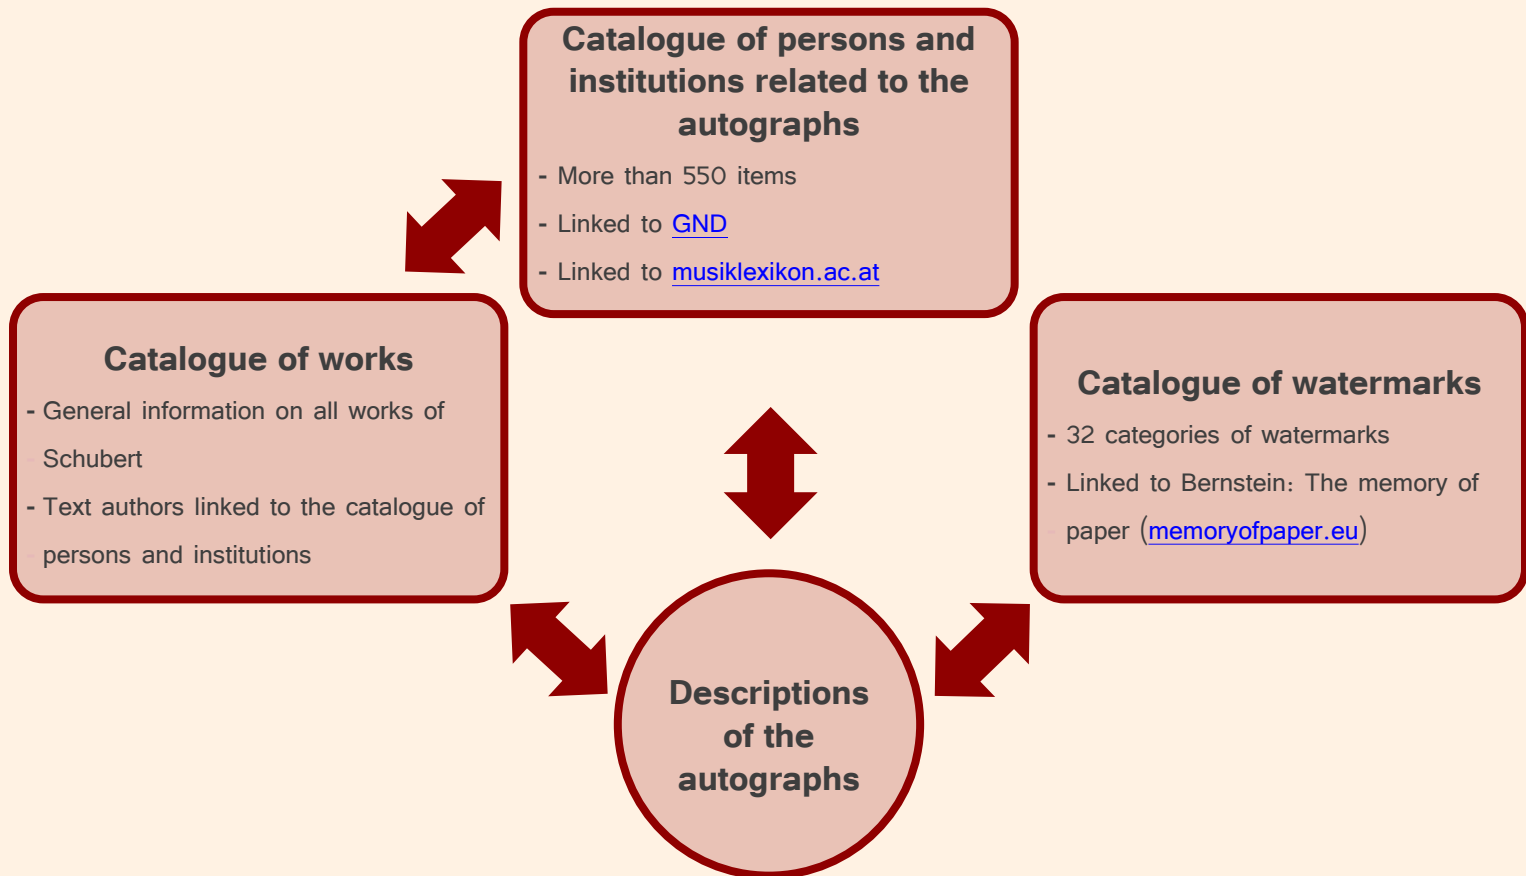

Example of the structure of a source description of a song manuscript

Example of the structure of a source description of a dramatic work manuscript

Supplementary catalogues

Supplementary catalogues

All three supplementary catalogues:

- are linked to the descriptions of the autographs
- can be viewed and searched separately

Search of the catalogue of works

Search mask (concept):

| | | | | | |
|--|--|------------------------------|--|-------------------------|--|
| Volltextsuche: | | | | | |
| D²-Nummer: | | D¹-Nummer: | | op./op.post./NL: | |
| Titel: | | | | | |
| Textincipit: | | | | | |
| Zuordnung zur Neuen Schubert-Ausgabe: | | | | | |
| Textdichter: | | | | | |
| Entstehungszeitraum: | | | | | |

Search of the catalogue of persons and institutions

The catalogue of persons and institutions can be searched for:

- names of persons and institutions
- functions of persons and institutions regarding the autographs (such as text author, scribe, owner)

Search of the catalogue of watermarks

The catalogue of watermarks can be searched for:

- watermark categories
- time period of using

Search of the philological descriptions
