

OUTREACH COMMITTEE

Report for the General Assembly of IAML

Since the 2016 Congress in Rome the Outreach Committee has helped the Organizing Committee of Riga's Congress with Outreach funding. There have been eleven applicants and thanks to special help from IAML-Italia it has been possible to offer help to eight of the applicants with part of their costs. With that help colleagues from Estonia, Hungary, Nigeria and Poland can attend the Riga Congress.

The Terms of reference for Outreach have been updated this year to be consistent with other IAML groups.

IAML Outreach was present at the MLA Conference in Orlando – a perfect occasion to be in contact with American colleagues and especially with Latin American institutions. Representatives from Argentina, Brazil, Chile, Cuba, Mexico, Uruguay and Venezuela presented papers in Orlando, some of them by video or in writing. This conference raised the possibility for IAML Outreach to instigate permanent regional contacts with coordinating institutions.
